Collecting Data Statements

- [1] What personal information we collect from you and for which purpose (Section 3 and 4)
- [2] Your rights to access, rectify, erase your Personal Data and object to the processing of your Personal Data (Section 8).
- [3] 1. General Epihunter provides the Epihunter Application, a set of tools and applications for people with epilepsy and their relatives and caregivers to improve their quality of life. The Epihunter Application consists of the Epihunter Platform, the Epihunter Mobile Application and the Epihunter Dashboard (each as defined hereinafter and collectively the "Application").
- [4] In addition, the Platform also analyses and stores data.
- [5] The Dashboard is an online tool with the sole intention to display, add and store your data.
- [6] Epihunter NV ("Epihunter", "we", "us") recognizes and understands the importance of the privacy of its users ("users", "You") and wants to respect their desire to store and access personal information in a private and secure manner.
- [7] In order to use our Products, we require you to consent to the collection and processing of your Personal Data before you start using the Products.
- [8] Please read this Privacy Policy carefully (which is also available on our Website: www.epihunter.com) so that you fully understand how we obtain and process your Personal Data.
- [9] "Account" means your account registered through the registration process on the Epihunter Mobile Application or Epihunter Dashboard
- [10] "Epihunter Mobile Application" means the mobile application (i) which the user has to download on its mobile device and (ii) is intended to record (via third-party EEG headsets and user input), display, analyze, store and transmit your epilepsy data
- [11] "Insights" means the data collected via the application and rendered in an optimal way by the Epihunter Platform through the Epihunter Mobile Application and Epihunter Dashboard.
- [12] "Website" means the website available at www.epihunter.com 3. Information we collect We may collect several types of personal information from the users of our Products, and store it on your mobile device and/or our server such as:
- [13] Information collected by manual input by the Application, such as seizure onset, etc.
- [14] Payment information such as transaction identifiers and summary information that does not include credit card or bank account numbers (we do not collect or store financial account information)
- [15] browser type, domains, page views) collected through cookies and other automated technology (cfr.
- [16] Hereinafter collectively "Personal Data".
- [17] 4. How do we use your Personal Data Epihunter (i) collects, (ii) uses, (iii) maintains and (iv) may share your Personal Data provided by you or collected by us with its affiliates, parent companies or other related companies for all purposes necessary to ensure the proper functioning and operation of the User accounts and/or the proper functioning of the Products.
- [18] Diagnosing technical problems and managing technical support and processing inquiries concerning the Products;
- [19] Examples of these vendors and service providers include entities that process credit or debit card payments and provide analytics and web hosting services.
- [20] You furthermore understand and agree that the technical processing and transmission of the Products, including your Personal Data, may involve (i) transmissions over various networks;

- [21] 5. Security Epihunter shall take appropriate administrative, technical and organizational measures against unauthorized or unlawful processing of any Personal Data or its accidental loss, destruction or damage, access, disclosure or use. Upon written request, Epihunter can provide you with a list of people of Epihunter that may have access to your Personal Data.
- [22] 6. Cookies When using the Products, we may collect certain information by automated means, such as cookies (small text files stored in your browser) and similar technologies, including mobile application identifiers, to improve your experience of the Products, increase security, measure use and effectiveness of the Products, identify and resolve issues and marketing purposes.
- [23] The information we collect in this manner includes IP address, browser characteristics, device characteristics, operating system version, information on actions taken on our Products (such as usage, activity logs and click-throughs), and dates and times of visits.
- [24] Third parties, such as Google analytics, may also use cookies to collect information about your activities on our Products to understand and continue improving the performance of our Products.
- [25] 8. Your rights Right of access If you are concerned or have any questions about your Personal Data, you have the right to request access to the Personal Data which we hold or process about you.
- [26] Right of rectification and right of erasure You have the right to request us free of charge to correct, erase or block any inaccuracies in your Personal Data if such Personal Data would be incomplete, inaccurate or processed unlawfully.
- [27] Right to object to data processing Without prejudice to the termination provisions of the Terms of Use, you may withdraw at any time your consent to the processing of your Personal Data by Epihunter by permanently removing the Application and notifying us in writing thereof via info@epihunter.com.
- [28] Upon receipt of this notification, Epihunter shall promptly stop any processing of your Personal Data.
- [29] 11. Updates or changes to our Privacy Policy Occasionally, we may change or update this Privacy Policy to allow us to use or share your previously collected Personal Data for other purposes.

Using Data Statements

- [1] Your rights to access, rectify, erase your Personal Data and object to the processing of your Personal Data (Section 8).
- [2] You cannot use the Products without first accepting our Privacy Policy.
- [3] In order to use our Products, we require you to consent to the collection and processing of your Personal Data before you start using the Products.
- [4] If you do not agree with the terms of this Privacy Policy, you may not use in any manner the Products.
- [5] Epihunter is committed to protecting the privacy of all of its users Personal Data and providing a secure, user-controlled environment for the use of the Products in accordance with the Privacy Act of 8 December 1992 and .
- [6] Epihunter asks all users to be responsible for safeguarding any authentication information and to immediately notify Epihunter of any unauthorized use of your personal Account.

- [9] 4. How do we use your Personal Data Epihunter (i) collects, (ii) uses, (iii) maintains and (iv) may share your Personal Data provided by you or collected by us with its affiliates, parent companies or other related companies for all purposes necessary to ensure the proper functioning and operation of the User accounts and/or the proper functioning of the Products.
- [10] Creating and managing your Account to use the Application;
- [11] Diagnosing technical problems and managing technical support and processing inquiries concerning the Products;
- [12] Performing data analyses (including anonymization and aggregation of Personal Data) and using and sharing the resulting data to third parties for commercialization purposes;
- [13] Complying with and enforcing any applicable legal obligations with respect to our Terms of Use and Privacy Policy.
- [14] To enforce the Epihunter Terms of Use or Privacy Policy
- [15] By using the Application, you acknowledge and explicitly agree that we may disclose certain information to vendors and service providers who help us provide the Products.
- [16] Examples of these vendors and service providers include entities that process credit or debit card payments and provide analytics and web hosting services.
- [17] By using the Application, you acknowledge and explicitly agree that, with your permission, we will share some health-related information, with third party devices and services, such as Apple health and Google Fit.
- [18] You furthermore understand and agree that the technical processing and transmission of the Products,

including your Personal Data, may involve (i) transmissions over various networks;

[19] 5. Security Epihunter shall take appropriate administrative, technical and organizational measures against unauthorized or unlawful processing of any Personal Data or its accidental loss, destruction or damage, access, disclosure or use. Upon written request, Epihunter can provide you with a list of people of Epihunter that may have access to your Personal Data.

[20] 6. Cookies When using the Products, we may collect certain information by automated means, such as cookies (small text files stored in your browser) and similar technologies, including mobile application identifiers, to improve your experience of the Products, increase security, measure use and effectiveness of the Products, identify and resolve issues and marketing purposes.

[21] Your device may offer you control over the use of cookies or other technologies when you use the Products.

[22] For example, you may be able to set your device or browser to disable, clear, reset or block the use of cookies or similar technologies.

[23] Please note, however, that without cookies the Products may not work properly or you may not be able to use all of their features.

[24] Please check the relevant third party website for more information about their use of cookies.

[25] Where this site allows such cookies to be set or you access other websites from the Products using the links provided, the operators of these websites will use cookies in accordance with their own cookies policy, which may differ from ours.

[26] In such event, Epihunter shall impose this Third Party to use any Personal Data strictly consistent with this Privacy Policy.

[27] We do not authorize these Third Party service providers to use or disclose your Personal Data except as strictly necessary to perform any services under our supervision or to comply with applicable legislation.

[28] However, Epihunter cannot be held liable for any damages, whether direct or indirect, that may result from the misuse of your Personal Data by such Third Party service providers.

[29] 8. Your rights Right of access If you are concerned or have any questions about your Personal Data, you have the right to request access to the Personal Data which we hold or process about you.

[30] Right of rectification and right of erasure You have the right to request us free of charge to correct, erase or block any inaccuracies in your Personal Data if such Personal Data would be incomplete, inaccurate or processed unlawfully.

[31] Right to object to data processing Without prejudice to the termination provisions of the Terms of Use, you may withdraw at any time your consent to the processing of your Personal Data by Epihunter by permanently removing the Application and notifying us in writing thereof via info@epihunter.com.

[32] Upon receipt of this notification, Epihunter shall promptly stop any processing of your Personal Data.

[33] 9. Data retention and deletion We may retain information regarding you and your use of the Products, including Personal Data, for as long as reasonably needed to provide you with the Products and the uses described in this Privacy Policy.

[34] Upon notification, we may retain and continue to use and disclosure your Personal Data to Third Parties exclusively on a fully anonymized basis.

[35] 11. Updates or changes to our Privacy Policy Occasionally, we may change or update this Privacy Policy to allow us to use or share your previously collected Personal Data for other purposes.

Sharing Data Statements

[1] At the same time, you also share responsibility for maintaining privacy and security for example, by not allowing any third party to use your personal account on the Epihunter Mobile Application and Epihunter Dashboard.

[2] 4. How do we use your Personal Data Epihunter (i) collects, (ii) uses, (iii) maintains and (iv) may share your Personal Data provided by you or collected by us with its affiliates, parent companies or other related companies for all purposes necessary to ensure the proper functioning and operation of the User accounts and/or the proper functioning of the Products.

[3] Performing data analyses (including anonymization and aggregation of Personal Data) and using and sharing the resulting data to third parties for commercialization purposes;

[4] Furthermore, you agree that Epihunter is free to access, retain, and disclose Personal Data in the following events:

[5] By using the Application, you acknowledge and explicitly agree that we may disclose certain information to vendors and service providers who help us provide the Products.

[6] By using the Application, you acknowledge and explicitly agree that we may disclose certain information to providers that build profiles to improve the diagnostic capabilities of the Application.

[7] By using the Application, you acknowledge and explicitly agree that, with your permission, we will share some

health-related information, with third party devices and services, such as Apple health and Google Fit.

[8] We will not share your information without your permission.

[9] Other than as set out in this Privacy Policy, we shall not sell or otherwise disclose your Personal Data to Third Parties without obtaining your prior explicit consent unless this is necessary for the purposes set out in this Privacy Policy or unless we are required to do so by law.

[10] We do not authorize these Third Party service providers to use or disclose your Personal Data except as strictly necessary to perform any services under our supervision or to comply with applicable legislation.

[11] 11. Updates or changes to our Privacy Policy Occasionally, we may change or update this Privacy Policy to allow us to use or share your previously collected Personal Data for other purposes.

Updating ToS Statements

[1] 11. Updates or changes to our Privacy Policy Occasionally, we may change or update this Privacy Policy to allow us to use or share your previously collected Personal Data for other purposes.

[2] If Epihunter would use your Personal Data in a manner materially different from that stated at the time of the collection, we will provide you with a notice on our Website and in our Epihunter Mobile Application indicating that the Privacy Policy has been changed or updated and request you to agree with the updated or changed Privacy Policy.
